

Gardening in the City

in the **Main Library's**
Popular Library Reading Lounge
Tuesdays at 7:00 p.m. (at 8th & Vine)

Learn tips and techniques to help make city living more green! Whether or not you have a green thumb, bring questions and pictures of your own space if you have site-specific challenges for creative inspiration on urban gardening with Lisa Yunker of City Roots and David White of Outer Space Landscaping

- June 9** Urban Oasis: Choosing plants and design for your urban setting
- July 14** Avant Garden: Innovative, surprising design for unconventional spaces
- August 11** Harvest In the City: Enjoy your garden's success and make the transition to colder months

Presented in partnership with the Downtown Residents' Council
