Summer Arts at the Cincinnati Public Library, supported by a grant from the Downtown Residents Council, is a series of programs designed to expose area children to arts of all kinds—theatre, music, dance, puppetry, and visual arts. Local artists, volunteers and performers lead the 45-60 minute interactive workshops. Participants come primarily from Downtown, Over-the-Rhine & urban day camps. Since its inception, thousands of children have participated.

The **Downtown Residents Council** is a resource for residents of the Central Business District to exchange experiences and express concerns. Our members come from all walks of life, sharing a love for living in **Downtown Cincinnati** and a common interest in improving the overall quality of life within our city. As individuals, and as a group, we have a vision of a vibrant, 24-hour city, with all its necessary amenities.
